# TECHNOLOGY

*Avenue*  
CAREFULLY CONSIDERED GIFTS

**Technology that works – for you!**

There's no getting away from it – mobile technology is everywhere. Used by everybody. Every day. And that means a whole load of opportunities for getting your name on the gadgets people constantly turn to for work, entertainment and communication.

**Be the hero**

Laptops, tablets and smartphones all need to be organised, protected, charged, accessorised and personalised. Bring a smile to people's faces by providing the finishing touches they love to have.

**Inspire**

Innovative gadgets can inspire new ways of working and enhance leisure time. What better way to make an impact?

**Something for everybody**

Our great choice of over 200 accessories and gadgets means you can put your name on all kinds of useful items. Whether you want to be practical, entertaining, stylish or amusing, our technology program is designed to work for you.

**And there's more...**

This catalogue represents a selection of items that we think are especially useful. But we also have a lot of other items that may be suitable for your needs. Be sure to check out our Bullet and Avenue catalogues to see the full range of what we can offer.
